How Do I Prepare for My NP Board Certification Exam? Obtaining nurse practitioner (NP) board certification is a necessary final step in the progression from registered nurse (RN) to NP. In fact, the title of nurse practitioner applies only to those with a valid NP credential, and one earns that credential by passing the NP board certification exam in one's specialty area.

### Exam Detail — National Certification Corporation

*Successful completion of an accredited graduate nurse practitioner program that meets NCC program requirements and prepares women's health care nurse practitioners. The program can be a master's, DNP or post-master's. NCC no longer accepts certificate prepared applicants.*
