Home | Susan and Henry Samueli College of Health Sciences ...

For 50 years, the University of California, Irvine has been a national and regional leader in the health sciences. From its early days — when the medical school came to campus and a medical center was acquired — to today's Susan and Henry Samueli College of Health Sciences, with its world-class programs and facilities, UCI has been dedicated to training new generations of physicians and ...

Social determinants of health - Wikipedia

Sat, 15 Sep 2018 10:29:00 GMT The social determinants of health are linked to the economic and social conditions and their distribution among the population that influence individual and group differences in health status. They are health promoting factors found in one's living and working conditions (such as the distribution of income, wealth, influence, and power), rather than individual risk factors (such as behavioural ...
